

Dear Store Manager,  
 Coco Polo Sugar Free chocolate is a delicious alternative made in the tradition of fine European couverture quality, but without sugar or a Stevia taste. Coco Polo is Keto-friendly, Diabetic-friendly, Gluten free, Non-GMO and Natural. Their sugar free also includes Superfoods to boost their nutritional value with Chia, Puffed Quinoa and Elderberry.

I am a regular customer of your store and would love to have Coco Polo available, and to share with others in my local community .
